## A REPORT

ON

THE ADMINISTRATION OF THE TONK STATE FOR THE YEAR 1835 FASLI.

[1927-28]

#### CHAPTER I.

#### Brief History of Tonk.

The Tonk State is situated partly in Rajputana and partly in Central India and consists of six parganas that are separated from each other by distances varying from 20 to 250 miles. The Rajputana parganas are Tonk, Aligarh and Nimbahera, and those in Central India are Chhabra, Sironj and Pirawa. The State has an area of 2,579 square miles and a population of 2,87,898.

The founder of the State was Nawab Amir Khan, an Afghan of the Buner tribe known as Salarzie. Early in the 17th century, one Taleh Khan left his home in the Buner country and took service in Rohilkhand with Ali-Muhammad Khan, a Rohilla of distinction. His son, Hayat Khan, acquired considerable land in the Muradabad district and was the father of Nawab Amir Khan. The latter was born in 1758, and when 20 years of age, left his home to carve out a career for himself. He first offered his services to De Boigne who was recruiting for Sindhia's Army, but De Boigne considered that he was too young and inexperienced, and declined to enlist him. For the next ten years he served as a mercenary leader whenever he could find lucrative employment, and in 1798, he was advanced to the command of a large army in the service of Jaswant Rao Holkar. He fought with distinction in the campaign against Sindhia and the British, and took no small part in levying the indemnities imposed on Rajoutana and Malwa. Holkar appreciated his fighting qualities and in order to have his services permanently at his command, he agreed to share all conquered territories with him. Sironj was accordingly made over to Nawab Amir Khan by Holkar in 1798, and Tonk and Pirawa fell to his share in 1806, Nimbahera was added to his territory in 1809, and Chhabra in 1816. On the entrance of the British into Malwa Nawab Amir Khan made overtures to them, but the conditions he proposed were considered to be extravagant and unacceptable. The British, however, offered to guarantee him all the lands he had been granted by Holkar on condition that he abandoned the predatory system

he had adopted, disbanded his army and surrendered his actillery, with the exception of 40 guns, to the British at a valuation. Amir-ud-Daula Bahadur agreed to these proposals, and they were embodied in a treaty in 1817. To the territories thus guaranteed i. e. the five Parganas already mentioned, the fort and Pargana of Rampura, now known as Aligarh, were added by the British Government and a sum of three lakhs was also given to him to enable him to sinance his State. ## (c) Cholera Epedemic.

Cholera epidemic broke out in May 1928, at Tonk and the neighbouring villages. The number of seizures was 446 and deaths 139. Energetic measures were taken and the disease was stamped out in less than a month. Public health has otherwise been satisfactory during the year.

## (f) Expenditure.

Expenditure incurred on Medical Institutions was:-

| Tonk & Pargana Dispensaries. | Rs 19,477/14/1 |
|------------------------------|----------------|
| Walter Female Hospital.      | Rs 8,797/0/0   |
| Total                        | Rs 28,274/14/1 |

For fuller details see appendices XXIII and XXIII A.

#### State Press.

The State Press does English and Vernacular printing and publishes the State Gazette containing orders and notification of the various departments. The number of permanent employees is 16; 8 prisoners from the Central Juli are supplied in addition to assist the permanent employees.

The Press turned out during the year 20,57,939 printed pages which brought in an income of Rs 4,125/6/8. The outstanding arrears for the last year realisable from the various departments amounted to Rs. 1,913/5/4. During the year Rs. 2,405/11/11 were realised leaving Rs. 1,719/10/9 as arrears of the year under report. The total expenditure on account of salaries and printing material amounted to Rs. 3,716/10/9 during the year.

The total income including the arrears of the last year amounted to Rs. 6,038/12|- out of which Rs. 2,405/11|11 only were actually collected leaving Rs. 3,633|-|| as arrears of the past and present years. Compared with the actual collections in the year under report the expenditure incurred was Rs. 1,310|14|10 in excess.

#### Postal, Arrangements.,

The Imperial mails continued to be carried between Tonk and Newsi in the State Motor Lorry and the State supplied escorts within its limits. The arrangements were satisfactory.

#### Jarls.

Sahibzada Abdul Basit Khan continued to work as Superintendent of the Jails during the year under the supervision of Mr. E. T. D. Furguson and performed his duties very well.

The Hon'ble Mr. L. R. Reynolds C. S. L., C. I. E., M. C., Agent to the Governor General in Rajputana and Lieut Colonel Watson, Chief Medical Officer, Rajputana, visited the Tonk Jail on the 14th December, 1927, and 4th March, 1928, respectively and recorded favourable remarks on the cleanliness of the Jail and the work done by the prisoners.

The number of jails in the State underwent no change during the year. The daily average of prisoners in each of the five State Jails during the last three years was as under:-

|                    |    | 1333 F. | 1334 F. | 1335 F. |
|--------------------|----|---------|---------|---------|
| Tonk Central Jail. |    | 318.104 | 130·19  | 149'19  |
| Chhabra            | "  | 16.07   | 33-48   | 8.6     |
| Sironj             | "  | 38.89   | 52.46   | 68.73   |
| Nimbahera          | ĵ, | 25.139  | 23.104  | 181142  |
| Pirawa             | 77 | 11.20   | 14.52   | 16'586  |

There has been on the whole an increase in the number of prisoners in the Jails compared with the figures of the last year. The health of the prisoner was generally good. However, one prisoner in Pirawa Jail and one at the Central Jail died of pneumonia; and one more prisoner died of dropsy in Tonk Jail.

Their Highnesses Nawab Khaliluz-Zamani Begum Sahiba and Nawab Jamil-ul-Zamani Begum Sahiba, the Financial Member, and many other gentlemen kindly sent delicious food on several occasions for prisoners in the Jail.

The Jail manufactures find a ready market in India and Europe?

The cash balance in the Central Jail at Tonk on 31st October, 1927, was Rs. 6,236|5\frac{1}{2}\cdot\). The sale proceeds of the manufactures during the year amounted to Rs. 12,402|3|9, which with the balance above mentioned came to Rs. 18,638|5.9. Out of this Rs 11,832|14|9 were spent on the industries etc. Icaving a cash balance of Rs. 6,805|-|7 at the close of the year. A sum of Rs.8,682|10,6 on account of jail manufactures supplied to Finlinson of London is still recoverable. Out of this Rs. 336|9|- were received on 17th November, 1927, from Messrs Thos: Cook and Sons, Agents in Bombay.

The following Table shows the income accrued to the Pargana Jails:-

#### CHAPTER VII.

#### Report of Inspector General of Police.

The following are extracts from the administration report of the Tonk State Police for the year 1335 Fasli (commencing from 1st November 1927 to 31st October 1928) received from Mr. R. J. H. Fitzpatrick Inspector General of Police, Tonk Raj.

- (1) I held charged of the State Police throughout the year.
- (2) The reorganisation of Superintendents' circle suggested by me last year was given effect to during the year under report with the result that Pirawa and Chhabra Parganas were brought under one Superintendent of Police.
- M. Yusuf Ali Khan was transferred from Pirawa to Chhabra Paragana and appointed to the newly created charge.
- (3) M. Abdul Hadi Circle Inspector was transferred from Tonk to Nimbahera to assist the Superintendent in checking an outbreak of henious crimes by the Minas of Mewar. Sub-Inspector Hisamuddin Kotwal of Tonk was appointed to carry on the duties of Circle Inspector, Tonk as a temporary measure. He is still working in this capacity as I have not been able to relieve M. Abdul Hadi, from Nimbahera. There were no other changes in the Superintendents or Circle Inspectors' charges during the year.
- (4) My proposals for starting a Lines School for the training of constables, though approved by the State Council, could not be carried out for want of funds. Improvement in the Rank and File can be expected unless they are given some training in the Reserve. I have again included the sum required for this most pressing need in the budget and hope the Council will advise His Highness to sanction it, so that a start might be made to remove this serious drawback in Police work.

## Condition of the year.

The conditions during the year were far from favourable. Scarcity and high prices prevailed in the Sironj & Chhabra Parganas throughout the year, owing to the total failure of Rabbi Crops. Conditions were so bad that His Highness had to start modified famine relief works in the Sironj Pargana. This indeed was the saving of the perganas and kept the clutivators employed till the advent of the rains otherwise they certainly would have resorted to crimes of a serious nature.

#### Political Events.

There was no political agitation or communial disturbances during the year in any of the Perganas.

#### Crimes.

1,771 cases were reported during the year as against 1,567 last year. The

Tonk and Chimbra Pacganas were responsible for an increase of 276 cases. This increase however was not confined to any particular class of crime or locality. In the Tonk Pargana I had to take severe action against several officers for burking crimes. I attribute the increase in this pergana to more honest reporting of cases after the action I took. The increase in Chimbra was due to raids by Kanjars and the scarcity that prevailed. There was a decrease in the following perganas:-

Nimbahera had a decrease of 12, Pirawa 36 and Sironj 24 cases so that the next increase was only 204 cases

195 cases were pending investigation from last year. The police therefore had to deal with 1.966 cases in all. Of these 1,791 were investigated, in 175 cases investigation was refused mostly at the request of complainants. Cf 1,791 cases investigated 870 were sent up to court with C. S. A. 627 remained untra ed, 219 were expunged as false and 75 remained pending investigation at the close of the year. The number of cases expunged appears abnormally high. I have only sanctioned the expunction of about 50 % of cases sent up to me and then only after action under section 182 1. P. C. had been taken against the complainants or after the investigation was checked by the Circle Inspector or Superintendent himself. From this it will be seen that the public take a very light view of lodging false com-Severe action by Pergana Magistrates is called for when a charge for marking a false complaint is proved in court. The ordinary fining of complainants does not appear to have the desired effect of checking this ovil. The number of cases which remained under investigation at the close of the year i. c. 75 is still high but a great improvement on last year's figures which was 195. Every effort is being made to speed up investigations, but there are many obstacles to overcome before investigation work can be brought into line with British India. Some officers are afraid to admit failure to work out cases and consider it better to show a case pending in the annual return rather than show it untraced. The Police are not wholly to blame for this unsatisfactory state of affairs. One Pergana Magistrate returned a case for further investigation which had been investigated for 9 months although the investigation was checked by the Circle Inspector and Superintendent of police without pointing out a single defect in the investigation. The Officer evidently lost sight of the fact that the police had powers to reopen an investigation on receipt of any workable clues. Though there has been a slight increase of crimes in our State we have not fared as led y as other States, For instance in Pargena Nimbahera we had 29 helmous crimes only, while in the adjoining Pargana Mandsor of Gwalior tinte there were not less than 57 hemous crimes.

Of the 870 cases challaned 558 were convicted, 97 acquitted, 18 compounded, 19 made over 0 other States, 44 dealt with under section 512 C. C. P., 10 withdrawn and 124 remained pending trial at the close of the year. The number of cases acquitted is just over 11%. This is a serious defect in police work and shows that investigating officers and the prosecuting staff, do not weigh the evidence sufficiently before putting cases up before Magistrate. However again hare I must draw attention to the fact that the police are not wholly responsible for this unsatisfactory state of affairs. One of

the chief contributory features for these failures is the long delays by Magistrates in disposing of cases. The periods between hearings in some instances extend to over 6 weeks with the result that accuseds have ample opportunity of bringing influence and pressure to bear on witnessess. It is not an uncommon thing for a most ordinary case to remain pending trial in Court for over 6 months. The introduction of some rule as we have in British India that Pergana Magistrates should submit an explanation to the Indicial Member in all cases which have remained pending in the courts for more than 5 months would have the effect of speeding up the disposal of criminal cases. The old method of judging police work by statistics has long been discontinued in British India and though the returns submitted along with this report are not as good as those submitted in previous years, I consider there has been an all round improvement in the work.

## Conviction of persons.

1,705 persons were apprehended for crimes. Of these 1,527 were sent up to court. 115 were released under section 169 Cr. P. C., 33 were under arrest in other States awaiting proceedings for extradition, in the case of 30 others investigation was pending at the close of the year. The number of releases under section 169 Cr. P.C. are excessive. I have found a tendency on the part of investigating officers to use their powers of arrest far too quickly without weighing the evidence against an accused person. In some cases officers consider the nomination of accused by complainant sufficient ground for arrest. Superintendents and Pergana Magistrates should watch this evil carefully and bring to notice cases in which police officers in their opinion have abused their powers of arrest.

I have already issued instructions to the police on the subject and will take serious notice of cases that come to light.

Out of 1,527 persons sent up to court 1,056 were convicted, 182 acquitted, 18 made over to other States, the cases of 31 persons compounded, 2 escaped from Judicial lock up and cases against 238 were pending trial at the close of the year. percentage of persons arrested to challaned is 90 % against 93 last year and percentage of persons convicted to challaned is 69 % against 73 % last year.

The number of acquittals is excessive. The chief resons for this as I have already pointed out is the failure of invastigating officers and prosecuting staff to weigh the evidence against each individual and the long delays in the disposal of cases.

## Escapes from Judicial lock up.

2 cases were reported this year. I from Aligarh and the other from Sironj The accused in the Aligarh case has been rearrested and convicted. The constable who was responsible for the escape has been convicted under section 224 I. P. C. The accused in Sironj is still abscending. The constable from whose custody the accused escaped has been dismissed. The offence of allowing prisoners to escape from custody appear to have been looked upon very lightly. I consider that in all such cases the party at fault should

be criminally prosecuted unless there are special extenuating circumstances in the cases, I have issued instructions to the "Superintendants of police in these lines.

#### Recoveries.

Property worth Rs. 76388]4/9 was stolen during the year under review as against Rs. 83,971/-/3 last year. The value of property recoverded was Rs. 40,355/1/4 as against Rs. 41,979/15/3 last year. The percentage of recoveries comes to Rs. 52/13/10 as against Rs. 49/15,— last year. The recovery of the state this year is above the standard demanded i, e 50%

The percentage of property recovered comes to Rs. 31|4|1% against Rs. 25|13|1% last year. The percentage of cattle recovered comes to Rs. 79|13|1 as against Rs. 77|3|-% last year.

Superintendent of police, Nimbahora, has submitted a comparative statement of Mandsore (Gawalior) and Nimbahera. In Mandsore property worth Rs. 34,099|6|- was stolen and property worth Rs. 20,205|12|- was recovered. The percentage of recoveries comes to Rs. 59|4|1 % while in Nimbahera property worth Rs. 13,049- was stolen of which Rs. 9,350|10|6 was recovered. The percentage of recoveries comes to Rs. 71|10|6.

#### Crimenal Tribes.

Two new settlements have been started this year. One at Ahmadpura Pargana Tonk and the other at Kanjarpura, Pargana Chhabra. These are working satisfactorily and I hope will be the means of bringing these wandering tribes under control. I have already submitted a detailed report under this head to the Council.

## Finger Print Work.

346 Finger Prints were prepared in the year under report (from 1st January to 30th November 1928) and 180 Search Slips were prepared and sent to Bureau concerned. Of these 70 were traced and 100 remained untraced. 90 were of Criminal Tribes and 90 of others, Of the traced Search Slips 55 were of Criminal Tribes and 15 of others. Of the untraced search Slips 34 were of Criminal Tribes and 76 of others.

128 Search Slips of Criminal Tribes settled and unsettled (not concerning any case) were prepared and sent to Abu.

12 death reports were proposed and sent to Abu. Finger Print Sub-Inspector was summoned once in a Criminal case, once in Diwani Court and once in Home Membes's Office for identification of Finger Prints.

The Sub-Inspector Finger Print trained 349 persons in Finger Impression taking in Saddar and Perganas. Of these 166 were literate and 188 illiterate and included members of Mal and Judicial Department. The Sub-Inspector made a tour of all perganas and also visited Criminal Tribes Settlements. He has been doing prosecuting work in addition to his own duties throughout the year as an assistant to the prosecuting Inspector of Tonk.

In December 1927-Circle Inspector Madho Pershad of IC. I. D. Abut inspected the Finger Print Work and reported favourably. Sub-Inspector Nazir Ahmad Beg has again worked well, he does not spare himself and takes great interest in the work and training of the members of the force. He was rewarded this year.

Of these 335 were investigated and in two cases investigation was refused. Of the cases investigated 203 were challened, 44 remained untrace d, 76 expunged and 12 were pending investigation at the end of the year.

Of the cases challaned 107 ended in conviction, 34 acquitted 8 compounded, 10 dealt with under Sec. 5!2 C. P. C. 1 was made over to other State, 4 C. S. A. were expunged and 39 remained pending trial at the ond of the year.

345 persons were arrested in these crimes Of these 297 were challened, 35 released by police, 3 were under arrest in other States and 10 remained pending investigation at the end of the year. Of the persons challened, 148 received conviction, 64 acquitted, 13 compounded. One was made over to other State and 71 remained pending trial at the end of the year.

#### Other Miscellaneous cases.

293 cases were reported during the year as against 220 last year. 20 were pending from last year. The police therefore had to deal with 313 cases. All were enquired into. Of these 264 were challaned,9 remained untraced, 27 expunged and 13 cases were pending investigation at the end of the year.

Of the cases challaned 190 ended in conviction, 23 acquitted, 6 dealt with under section 512 C. P. C. 1 case was compunded, 18 made over to other States and 26 were pending trial at the end of the year.

699 persons were apprehended. Of these 654 were challaned, 37 released by police and 8 remained pending investigation at the end of the year. Of the persons challaned 536 received conviction 39 acquitted, 2 compounded 17 made over to other States, one escaped from Judicial lock up and 59, remained pending trial at the end of the year.

#### Budget.

A sum of Rs 1,56,286/14/1 was budgeted for 1335 Fasli but only Rs 1,39,408/-was sanctioned. On my representation a further sum of Rs 13,000/- was sanctioned for 1335 Fasli by His Highness, provided that all savings should be made over to the Financial Office. I managed to carry on the work and effected savings of Rs. 4,219/8/2 from the budget and made it over to the Financial Office, in addition to this I also made over to the Financial Office Rs 414/13/- on account of allowance of Judicial Member and Rs. 213/11/2 B. C. and S. C. police amanat up to 21st October 1928. The total amount given to the Financial office was Rs. 4,848/4/- B. C. and S. C.

## Rewards.

143 officers and men received rewards during the year for meritorious services. Of these 67 were awarded by promotions in their grade, 47 by money, 18 received rewards from Excise Department 5 from Criminal Court and 6 were rewarded by complainants.

Superintendents apparently do not realise the importance of recommending their staff for rewards when they deserve them. Notwithstanding my special instructions to them to submit good conduct reports before the close of the Financial year, when I had already returned the amount I had under head reward so that instead of being able to reward the men for their

good services I was only able to make entries in their service roll,

#### Buildings.

For years past a sum of Rs 700]- has been alloted under this head, it did not suffice for annual rainy season repairs. This year I alloted Rs. 2,000]-for the purpose, although a rough estimate of requirements was Rs. 5,978]-My Office and Kotwali buildings required extensive repairs, this has been done. Most of the buildings are still incomplete for want of funds and unless a seperate large sum is sanctioned in addition to the budget it will be impossible to complete the buildings that are already under constructions.

## Absconded Offenders.

The matter of abscended offenders has been receiving my attention. On calling for the statements from all the parganas I was surprised to learn that there were no less than 282 persons abscending. Of these 224 arc of class "A" and 58 of class "B"

Action under section 512 C. P. C. has been taken against 274. Of the 282 absconders 93 are residents of the Tonk State, 172 of other territories and 17 wanderers. In going into the cases of these absconders 1 was able to expunge the names of no less than 59 for various reasons. There now remains on the register 223 absconders (72 of this State 147 of other States and 4 of wandering tribes)

The number of absconders is abnormally large and this I attribute to want of Co-operation between the various States Police forces. I have asked the State Council to sanction a reward of Rs. 10/- (ten) for each absconder arrested and am sending a detailed statement to each Inspector General concerned giving details of the absconders and the cases against them. I hope this will result in the arrest of some of these absconders. A detailed statement of absconders by Perganas is attached.

## Training.

52 recruits were put through a modified course of training in Drill and Law during the year. Reverse Inspector M. Khaliq ahmad Khan and his Assistant Head Constable Ashraf Khan are to be congratulated for the results obtained. They have both worked hard throughout the year.

## Discipline of force.

Discipline of the force on the whole has been good. Cases of misconduct occurred which were dealt with both in the criminal court and departmentally. Absences without leave still continue to occur. This evil can not be stamped out unless the man are I provided with proper accommodation at police stations for themselves and their families.

## Concluding remarks.

Before concluding my report I draw attention to the fact that there is no system of training Sub-Inspectors in police work and I suggest to remedy this defect that 2 Sub-Inspectors be sent for a course of training either to the Moradabad or Saugor police training school each year. I am

prepared to undertake the extra expenditure incurred in connection with the training from my present budget.'

I regret I have had to again find fault with Superintendents regarding non-inspection of their police stations and delays in investigations and their correspondences. I hope that during this year all the arrears in investigation works will be brought up to date and that soon we will only have to deal with the present years cases.

M. Ali Husain Khan Superintendent of Police Tonk has worked cheerfully and well during the year. All the other Superintendents have done their best but have been handicapped by illness during the year.

The Head Clerk Babu Darbari Lal, Accountant B. Murli Mohan Lal, Deputy Accountant B. Sham Narain Lal and my reader M. Abrar Ahmad have all worked loyally and well,

The prosecuting Inspector although hard pressed at times on account of having to attend State Council, Judicial Member's Court and City Magistrates, Court has not spared himself. For a long time it has been realised that he should be given an assistant for the lower Courts. I have now been able to do this by withdrawing one of the Pergana prosecuting Sub-Inspector where there was very little work.

Annual report of the Municipal Committee, Tonk State, for the year 1335 Fasli (1927-1928).

The result of work of Municipal Committee for the year ending 31st October, 1928 is as below.

Budget of receipts sanctioned by His Highness amounted to Rs. 67,053]and of the charges Rs. 66,895]-. The above receipts include Rs. 30,423]E. C.; which is a grant in aid given by the Darbar from Abkari for the
maintenance of Municipal Committees at Sadar and Parganas. According
to Municipal accounts, the actual realisation for the year under report
was Rs 71,625/1/6 and of the charges Rs 61,004|3 i. c. there was an increase
of Rs 4,572|1/6 in the receipts and a saving of Rs. 5,890|12/7 in the charges,
or a total increase of Rs. 10,462|14|1 as compared with the Budgeted amount.

The expenditure of Rs.61,004|3|5 includes the following amounts expended by the committee outside the Budget.

Digging the well of the Revenue Member's Bungalow. Rs 1000|-

Purchase of medicines for Cholera,

Rs 100/~

Total Rs 1100|-

The actual realisation for the year amounted to Rs 71,625|1|6 as against Rs 68,605|5 of the last year, giving an increase of Rs 3,01912|6 over the budgetted amount while in the figure of charges there is a saving of Rs 350|4|11 as compared with last year. This all due to the good work of the Committee Officials.

Last year it was decided by order of His Highness that out of the saving of Rs. 10,462|14|1 in the year under report Rs.7,519|14|7 my be deducted on account of the following expenditure and the balance of Rs. 2,942|15|8 may be credited into the State treasury.

|                                     | Rs. 7,519[14]7 |
|-------------------------------------|----------------|
| Construction of Basoda Road         | Rs. 3,211 9 -  |
| Construction of Godown Melad Sharif | Rs. 2,218 11 1 |
| Melad Sharif Expenditure            | Rs. 2,089 106  |

In the year under report metalled and Jhetra roads were constructed where necessary, and the repairs of old ones was also done. The light and santiary arrangements were maintained satisfactorily and on an increased scale. The improved drainage system scheme was introduced and its first work was the construction of a big gutter in Wazir gunj Mohala, Besides this main construction many other patty drains both kachha and pakka were cleaned and repaired. All public passages were kept in good order and many slopes were constructed and repaired. Almost all wells used for drinking purposes were thoroughly dis-infected and most of them well cleaned at Municipal expense. The bed of Aliganj tank was further deepened and due provision has been made in the Budget, under all the above mentioned heads, for furure development.

Cases of mad dog and jackal bites were attended to very carefully and all possible efforts were made to destroy such animals, the total number killed being 1080 dogs and 231 jackals. Still the Municipal Committee had to incur an expenditure of Rs. 1,128|10|8 in sending patients to Kasauli.

Unfortunately a cholera epedemic broke out this year in Tonk, Aligarh and Sironj Perganas; but the Municipal Committee rendered their best help to the Hospitals in disinfecting wells, and good sanitary arrangement had the effect of minimising the severity of the disease.

In the year under report the work of the Municipal Committee was satisfactory. Sahibzada Khalilur Rehman Khan, Secretary and M. Mohammad Yusuf Executive Officer took a great interest in their work and discharged their duties admirably and to my entire satisfaction. Statements showing the receipts and expenditure of the M. Committee are attached herewith.
